#### **About ASIS International:**

ASIS International (ASIS) is the pre-eminent organisation for professionals responsible for security, with more than 37,000 members worldwide. Founded in 1955, ASIS is dedicated to increasing the effectiveness and productivity of security professionals by developing educational programmes and materials that address broad security interests, such as the ASIS International Annual Seminar and Exhibits, as well as specific security topics. ASIS also advocates the role and value of the security management profession to business, the media, governmental entities and the general public. By providing members and the security community with access to a full range of programmes and services, and by publishing the industry's leading magazine, *Security Management*, ASIS leads the way for advanced and improved security performance.
